

## No Surprise Rule Notice

Under the “*No Surprise Rule*”, health care providers need to give patients who do not have insurance (“uninsured”), want a service that their insurance does not cover, or who are choosing to not use their insurance\* (“self-pay”) an estimate of the bill for medical items and services.

You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost if you are “uninsured” or “self-pay.”

You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.

Make sure your health care provider gives you a Good Faith Estimate in writing *at least* 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.

If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.

Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit [www.cms.gov/nosurprises](http://www.cms.gov/nosurprises) or call Kimberly Heilbrun, Integrity Rehab Authorization Manager, at 254-699-3933 extension 110.
